THE DOUBLE VE WAIST.

FOR CHILDREN, IS MADE IN ALL SIZES.

THE CHILDREN'S STYLE was put on the market ten years ago. At that time a single thickness waist of soft finish cloth was practically unknown. Since then it has grown steadily in favor with the public, and this particular style is now worn by over ONE MILLION CHILDREN.

Its success is due to four things:

First—The patented DOUBLE VE ATTACHMENT, which supports stockings and underclothes from the shoulders.

Second—DURABILITY. It is made from single thickness, highest grade, Imperial Sateen, soft finish. It will wear one year, and is outgrown before outworn.

Third—HYGIENIC. It covers the entire body uniformly and completely.

Fourth—COMFORTABLE. It fits perfectly. It allows perfect muscular action and development of the growing body. It is a practical, simple garment and will be found to give excellent satisfaction.

PATENTED NOV. 19th, 1887.
